

Sustainability Summary

Batory Foods is committed to increasing our sustainability efforts in three key areas:

PLANET

Reducing Operational Waste & Emissions

- Reducing **food waste** by donating/selling surplus ingredients
- **Recycling** plastic, paper, computer/tech equipment
- Energy-efficient **LED/motion sensor lights**
- **Electric-powered** forklifts
- Complete annual **EcoVadis** assessment

PEOPLE

Prioritizing Safety & Well-Being

- **Annual donation** to Feeding America
- **B.I.D.E** committee – Belonging, Inclusion, Diversity & Equity
- **Women’s** Employee Resource Group
- Employee **Well-Being** program
- Building a **safety culture** through education and training

PARTNERS

Collaborating with Sustainable Partners

- Evaluating **supply chain sustainability** using EcoVadis
- **Sustainable products:** Fairtrade, RSPO, RAC, Grass Fed
- Measuring **Scope 3 (supply chain) emissions**
- Updating & distributing **Supplier Code of Conduct**
